## **Billing and Payment Policies**

McPherson College expects the student to be financially responsible. All student accounts are in the student's name regardless of who makes payment on the account.

### **Billing**

Students may view their account statement on Bulldog Connect. The first charges for the fall semester will be available in July. The spring charges will be available in late November. These initial statements list tuition and applicable fees, room and board for residential students as well as estimated financial aid, payments, and the estimated balance due. Activity after the initial account statement is created may affect the amount you are responsible to pay. Such activity could include adding/dropping courses, bookstore charges, changes to room and board, and/or changes to your financial aid package.

Email communications to the student's McPherson College email address are sent letting them know when their account statement is available. However, students are strongly encouraged to stay informed on a regular basis by accessing their account on Bulldog Connect at any time throughout the year.

### **Financial Aid**

The Business Office will recognize credit on the student's account balance for posted federal financial aid and issue a credit refund check within fourteen days from the posting date in accordance with Department of Education rules. For other non-federal aid, the following circumstances apply:

*Institutional/Merit Awards:* Credit will be recognized when the award is posted to the student account.

*Outside Scholarships:* Awards from outside sources will not appear on the student's account statement until McPherson College receives the funds and the aid is posted to the student account.

*Alternative Loans:* Credit will be recognized when loan funds are made available to the college and the loan is posted to the student account.

*Federal Work Study:* Although Work Study may be part of your financial aid package, it is not a guarantee of employment and will not be deducted from your student account. Arrangement may be made in the Business Office to direct future wages to be applied directly to the student account.

### **Monthly Payment Plan**

If an annual or semester payment is not possible, McPherson College requires students to set up a budget plan through Tuition Management Services (TMS). For a small enrollment fee (\$65 per year) families can budget convenient, interest-free monthly payments beginning August 15. Further information can be found at [www.mcpherson.afford.com](http://www.mcpherson.afford.com). An exception to this policy would require individual arrangements made directly with the Business Office.

### **Payments**

You are responsible for payment in full of your student account balance minus estimated financial aid. The payments are due as billed unless noted otherwise. The fall semester bill is due on August 15, 2018 and the spring semester bill is due on January 15, 2019. While McPherson Colleges encourages payment in full by the end of the semester, you are allowed to carry over \$1,500 of unpaid expenses from the previous semester to the current semester. A larger carry over may be allowed only under specific arrangement with the Business Office.

Courses taken online through College Consortium must be paid in full upfront. If payment in full is not made before the course drop date, the student will automatically be withdrawn from the College Consortium course.

Checks should be made payable to McPherson College, and payments should be mailed to McPherson College, Attn: Business Office, PO Box 1402, McPherson, KS 67460. Cash payments are accepted in person in the Business Office. Credit card payments can be made online or by telephone. For online payments please log into Bulldog Connect to view your account and click on Make a Payment. If you have questions, please contact the Business Office at 620-242-0450 or 620-242-0459.

The college reserves the right to withhold official academic transcripts if the student fails to pay their balance in full. Diplomas will not be released if an account balance remains. Students with a balance are also not allowed to participate in Commencement.

The college will provide an unofficial copy of an academic transcript at the student's request. It will be marked with the word "UNOFFICIAL."

### **Holds**

Failure to pay the balance on the student's account by the due date places the student on a restricted enrollment status, or HOLD. Students on HOLD will not be allowed to register for classes, confirm existing pre-registrations, obtain transcripts or receive other non-essential services until their accounts are brought current. Please contact the Business Office at 620-242-0450 or 620-242-0459 for assistance with HOLD resolutions.

## **Late Fees**

A late fee charge of \$100 will be assessed on semester balances remaining unpaid 10 days after the semester due date. The exception would be those enrolled in a monthly payment plan.

## **Institutional Refund Policy**

Students that withdraw from McPherson College on or after the first day of a term may be eligible for a refund (proration) of qualified institutional charges and non-federal financial aid. Qualified charges would include tuition, fees, room and board. Charges that are not included in a refund include, but are not limited to, books, fines, and insurance premiums. Non federal aid would include aid from the institution, state, and outside resources. McPherson College determines the percentage of adjustment by calculating earned and unearned percentages using the following method:

All calendar days from the beginning of the term to the Last Day of Attendance (LDA) are divided by the total number of calendar days in the term to determine the percentage of adjustment. Scheduled breaks of five calendar days or more and temporary break days are excluded.

1. If the withdrawal occurs within the first 60% of the term, a pro rata adjustment will be made to the student's account. Qualified charges and non federal aid will be adjusted individually. Earned amounts will remain posted and unearned amounts will be returned to the issuing authority. If an outside agency allows, a larger percentage of the entire award may remain posted to pay adjusted charges.
2. If the withdrawal occurs after the first 60% of the term, no adjustment or refund is due.

## **Federal Financial Aid Refund Policy**

In addition to the institutional refund calculation recipients, and in some cases intended recipients, of federal Title IV financial aid (with the exception of Federal Work Study), will be subject to the refund policies as mandated by the United States Department of Education. McPherson College must calculate earned and unearned federal aid using the same method as described under the Institutional Refund Policy.

1. If the withdrawal occurs within the first 60% of the term, a pro rata adjustment will be made to the student's account. The resulting percentages are applied to the total of Title IV aid that was disbursed and could have been disbursed. Any unearned amount must be returned to the appropriate program source in the following order until the unearned amount is satisfied: 1) Unsubsidized Federal Direct Stafford Loans, 2) Subsidized Federal Direct Stafford Loans, 3) Federal Perkins Loans, 4) Federal Direct PLUS loans, 5) Federal Pell Grants, 6) Federal Supplemental Educational Opportunity Grants, 7) Federal TEACH grants, 8) Iraq/Afghanistan Service Grants.
2. If the withdrawal occurs after the first 60% of the term, no adjustment or refund of federal Title IV financial aid is due.
