

Music Program

Purpose Statement

The McPherson College Music Department develops life-long musicians. The department provides an educational experience that unites the artistic standards of a professional music program and the academic breadth of the liberal arts.

The department achieves this purpose when its students successfully

- analyze and perform music.
- develop musicianship skills through applied lessons, culminating in the senior recital.
- classify and interpret a common body of Western and non-Western music literature.
- meet Kansas State Department of Education and National Council for the Accreditation of Teacher Education standards for licensure in the area of music (education emphasis only).

Expectations for All Music Majors

1. Students will be required to pass the Piano Proficiency Exam upon entrance to the program of enroll in MU330 Private Lessons (Piano) until such time as the requirement is satisfied.
2. Students will be required to enroll in one large ensemble (as assigned by the music faculty) per semester of residence.
3. Students will be required to enroll in the Music Major Lab each semester of residence.
4. Students must audition for entrance into any music degree program.
5. The Junior Recital (seminar) will serve to prepare the music major for a half recital (25 minutes) at the end of two semesters of junior-level private lessons.
6. The Senior Recital (senior project) will serve to prepare the music major for a full recital (50 minutes) at the end of two semesters of senior-level private lessons.
7. Music majors are required to be active members in music-related professional organization student chapters, such as the National Association for Music Education (NAfME).
8. Students must pass a basic audition to pursue the music major.

Expectations for All Music Minors

1. Students are required to participate in one large ensemble (as assigned by the music faculty) per semester of residence.
2. Students must pass a basic audition to pursue the music minor.
