

Returning Student Enrollment

Enrollment periods are scheduled each spring when returning students can enroll by classification. Upperclassmen receive priority and enroll first, followed by sophomores and then freshmen. These enrollment period dates are published in the Academic Calendar.

All students have access to their degree audit in Bulldog Connect. For assistance, please email registrar@mcpherson.edu. Students are strongly encouraged to schedule a junior check during the spring of their sophomore year and then a graduation check during the spring semester of their junior year. Students with 41 earned credit hours or more will receive an email reminder but the responsibility remains with the student to track their progress towards earning their degree.

It is important that students—especially juniors and returning seniors—enroll during the dates set aside for their class. Students who neglect to register during the enrollment period risk losing their seats in classes they may be required to take in order to graduate on schedule. Students who fail to enroll during their appointed enrollment period cannot be guaranteed a seat in courses filled by students who met enrollment deadlines.

Students with outstanding balances in excess of \$1,500 will not be allowed to enroll for the following semester. Past due balances may result in dismissal from the college and may be placed for collection.
