

Business Program

Purpose Statement

The department commits itself to fostering students' learning so that they are prepared for professional pursuits and/or graduate study.

The department achieves this purpose when its graduates are proficient in the following outcomes.

- Students will apply and demonstrate business principles and concepts of the functional areas of business.
- Students will research and analyze information, including data, related to one's field of study.
- Students will perform effectively in groups.
- Students will communicate effectively orally, visually and in writing in a manner relevant to the field and intended audience.
- Students will understand demands and challenges facing businesses in a global environment.

One major, two interdisciplinary majors, and a minor are available within the Department of Business Administration. Within the Business Administration major, there are four emphasis areas, and a student must choose at least one area in which to concentrate their study: Management, Marketing, Finance, and Accounting.

CPA Study

Students interested in sitting for the CPA (Certified Public Accountants) exam must meet the requirements of the State Board of Accountancy. One of the requirements is 150 hours of college credit. McPherson College advises students pursuing a career in public accounting to complete their undergraduate degree at McPherson College and any additional coursework required for a concentration in accounting as described in Kansas State Statute (K. S. A. 74 2-7). For additional information, contact the chair of the business department.
