Visual Arts Program

Purpose Statement

The McPherson College visual arts department provides 1) high-quality art instruction within the content areas of art production, art history, art criticism, and aesthetic inquiry, 2) unique art programs within the visual arts major, including graphic design, graphic design marketing, studio, art teaching Licensure as well as a hybrid major of auto restoration design in conjunction with the technology department, and 3) venues for the fulfillment of academic and professional goals of students pursuing a visual arts-related career within a liberal arts context and an entrepreneurial environment at a small private college in Kansas.

Goals

The four primary goals of the visual arts department are to produce graduates who can 1) effectively execute and perform a variety of art skills with sensitivity and intelligence, 2) communicate the ability to analyze and critique works of art, 3) relate the creative process to life in personally meaningful ways, and 4) apply skills and knowledge to arts-related opportunities and professions. The visual arts department achieves these goals when graduates can:

- demonstrate knowledge of art elements and design principles;
- demonstrate performance in a variety of traditional and contemporary art media;
- demonstrate abilities to analyze and critique works of art in verbal and written form;
- demonstrate meaningful connections of art to life through the development of perceptual skills;
- research, identify, and interpret Western and non- Western cultural contributions to art;
- understand the qualities and the mentality needed to be a working, active artist and/or arts-related professional;
- meet State Department of Education standards for certification in the area of art for those pursuing art teaching licensure;
- demonstrate knowledge and skills with emerging technologies, both hardware and software, needed for opportunities and/or careers in the field of graphic design.

The visual arts department's curriculum is designed to meet the needs of students who want to 1) develop their artistic skills and refine their aesthetic values, 2) plan for careers as artists and graphic designers, and/or for employment in arts-related positions, 3) teach art in the public schools, and 4) further their education in graduate school.
