Billing and Payment Policies

McPherson College expects the student to be financially responsible. All student accounts are in the student's name regardless of who makes payment on the account.

Billing

Students may view their account statement on Bulldog Connect. The first charges for the fall semester will be available in July. The spring charges will be available in late November. These initial statements list tuition and applicable fees, room and board for residential students as well as estimated financial aid, payments, and the estimated balance due. Activity after the initial account statement is created may affect the amount you are responsible to pay. Such activity could include adding/dropping courses, bookstore charges, changes to room and board, and/or changes to your financial aid package.

Email communications to the student's McPherson College email address are sent letting them know when their account statement is available. However, students are strongly encouraged to stay informed on a regular basis by accessing their account on Bulldog Connect at any time throughout the year.

Financial Aid

The Business Office will recognize credit on the student's account balance for posted federal financial aid and issue a credit refund check within fourteen days from the posting date in accordance with Department of Education rules. For other non-federal aid, the following circumstances apply:

Institutional/Merit Awards: Credit will be recognized when the award is posted to the student account.

Outside Scholarships: Awards from outside sources will not appear on the student's account statement until McPherson College receives the funds and the aid is posted to the student account.

Alternative Loans: Credit will be recognized when loan funds are made available to the college and the loan is posted to the student account.

Federal Work Study: Although Work Study may be part of your financial aid package, it is not a guarantee of employment and will not be deducted from your student account. Arrangement may be made in the Business Office to direct future wages to be applied directly to the student account.

Monthly Payment Plan

If a large annual or semester payment is not possible, McPherson College requires students to set up a budget plan through Tuition Management Services (TMS). For a small enrollment fee (\$67 per year) families can budget convenient, interest-free monthly payments beginning August 15. Further information can be found at www.mcpherson.afford.com. An exception to this policy would require individual arrangements made directly with the Business Office.

Payments

You are responsible for payment in full of your student account balance minus estimated financial aid. The payments are due as billed unless noted otherwise. The fall semester bill is due on August 15, 2017 and the spring semester bill is due on January 15, 2018. While McPherson Colleges encourages payment in full by the end of the semester, you are allowed to carry over \$1,500 of unpaid expenses from the previous semester to the current semester. A larger carry over may be allowed only under specific arrangement with the Business Office.

Checks should be made payable to McPherson College, and payments should be mailed to McPherson College, Attn: Business Office, PO Box 1402, McPherson, KS 67460. Cash payments are accepted in person in the Business Office. Credit card payments can be made online or over the telephone. For online payments please log into Bulldog Connect to view your account and click on Make a Payment. If you have questions, please contact the Business Office at 620-242-0450 or 620-242-0459.

The college reserves the right to withhold official academic transcripts if the student fails to pay tuition in full, for default on a federal education debt, or failure to repay a federal education grant over-payment. The only exception to this policy would be in the event of debt discharged by a bankruptcy court.

The college will provide on unofficial copy of an academic transcript at the student's request. It will be marked with the word "UNOFFICIAL."

After the first two weeks of the semester, full-time students who choose to drop classes and therefore become part-time will not receive a refund or reduction in charges or financial aid. It is possible that a student who withdraws during the refund period will still have an outstanding balance due the college.

Holds

Failure to pay the balance on the student's account by the due date places the student on a restricted enrollment status, or HOLD. Students on HOLD will not be allowed to register for classes, confirm existing pre-registrations, obtain transcripts or receive other non-essential services until their accounts are

brought current. Please contact the Business Office at 620-242-0450 or 620-242-0459 for assistance with HOLD resolutions.

Late Fees

A late fee charge of \$100 will be assessed on semester balances remaining unpaid 10 days after the semester due date.

Refunds

Students who receive Title IV funds and who withdraw before completing 60 percent of the semester will be required to return unearned Title IV funds in accordance with federal regulations. The same refund policy applies to institutional, state, and outside aid. The percentage of the semester that the student completes is determined by dividing the number of days the student attended by the number of days in the semester. Calendar days are used, but breaks of at least five calendar days are excluded. Tuition, fees, room and board charges will be pro-rated at the same rate. There will be no refunds given after the ninth week of the semester. Bookstore charges, fines, and other personal costs are not pro-rated and are non-refundable.

After the first two weeks of the semester, full-time students who choose to drop classes and therefore become part-time will not receive a refund or reduction in charges or financial aid. It is possible that a student who withdraws during the refund period will still have an outstanding balance due the college.

Financial Aid

Over 95 percent of McPherson College students receive financial assistance each year from McPherson College scholarships and awards, federal and state programs, work-study programs, and educational loans.

McPherson College has a financial aid awarding policy that considers a variety of factors including academic achievement, participation in co-curricular activities, and financial need. The college's goal is to award enough financial assistance to provide incentive, recognition, and access.

Financial Aid Application Process

To be considered for and receive financial aid, students should take the following steps:

- Submit their Application for Admission and academic transcripts to McPherson College. Students must be admitted to McPherson College in order to be considered for aid.
- Submit the Free Application for Federal Student Aid (FAFSA). McPherson College's priority deadline for FAFSA submissions is March 1 each year. McPherson College's federal school code is 001933.
- Review their Student Aid Report (SAR) and verification documentation to the Financial Aid Office. Students whose Free Application for Federal Student Aid (FAFSA) is selected by the Department of Education for verification must complete the Verification Worksheet (Dependent, Independent) and submit official tax transcripts from the IRS for the student and/or parents/spouse. If supporting schedules are required, the college will ask for them separately.
- Await receipt of their Financial Aid Award Notice, which the college prepares and mails, usually within 3-5 working days after their financial aid record is complete.
- Follow the instructions enclosed with the Financial Aid Award Notice by the date indicated to acknowledge acceptance of awards.
- Complete the required application/promissory note if taking advantage of student loan opportunities.
- Complete entrance interview if borrowing Direct or Perkins loans.

Financial Aid Calendar

October 1 - Application process begins. Free Application for Federal Student Aid (FAFSA)

In addition to the Merit Award, qualifying students may receive additional scholarship assistance based on academic achievement, co-curricular participation, demographic characteristics, leadership qualities, and major areas of interest. A financial aid calculator and detailed information about institutional awards and scholarships are available at www.mcpherson.edu/admissions/financial-aid.

Work Study and Employment

All students may apply for on-campus jobs, but students qualifying for the Federal College Work Study program are given priority. These jobs include clerical assistants, maintenance workers, housekeeping, resident assistants, admissions assistants, athletic event staff, etc.

Off-campus employment is usually available to students. The community of McPherson normally enjoys an unemployment rate far below the national average, and there are many requests for part-time student help. The Career Services Offices posts notices of available positions for both on- and off-campus jobs online at <https://mcpersoncollegecareerservices.wordpress.com/>.

Other Sources of Financial Assistance

Veteran's Benefits may be used to attend McPherson College. For information on eligibility and to obtain application materials, students should contact the Veteran's Administration by phone at 1-888-442-4551 or online at <http://www.gibill.va.gov>.

Local service agencies such as Kiwanis, Rotary, Lions, PEO, AAUW and others have funding available for qualified students. Inquire with these agencies for scholarship forms.

Other forms of financial aid may also be available. Please contact the Financial Aid Office for further information.

Financial Aid Policies

Financial Aid Satisfactory Academic Progress Policy

To be eligible for financial aid, a student must make satisfactory academic progress. Academic progress is reviewed at the end of fall and spring semesters. Progress is based on the chart below.

First-time freshmen

Satisfactory academic progress is based on attempted hours, including all postsecondary coursework attempted. This includes failed coursework, coursework graded as incomplete and withdrawn coursework. Repeated coursework is included in the attempted hours and in the GPA hours for the term that course is recognized on the transcript.

Transfer students

A qualitative assessment is based on coursework accepted by McPherson College, and the accepted coursework is shown in both attempted and completed hours. Failed coursework, coursework graded as incomplete and withdrawn coursework are included in attempted hours. Repeated coursework is included in the attempted hours and in the GPA hours for the term that course is recognized on the transcript. A quantitative assessment is based on cumulative grade point average.

The maximum timeframe for completing a degree is 186 credit hours. The timeframe may be extended if necessary for students who have changed majors. An appeal will be required for this extension.

Students are evaluated at the end of each payment period. A student who fails to meet the quantitative or qualitative measures may not be eligible for Federal, State, and institutional financial aid. A student may fall into one of the following categories: **Warning** or **Suspension**.

- a. **Warning** - Students who do not achieve one or more of the academic criteria in any given semester/term are put on warning. The student is sent notification stating the policy and the consequences of a consecutive term below standards.
- b. **Suspension** - Students who do not achieve one or more academic criteria for a second consecutive semester are put on suspension. They are notified that their aid has been suspended and given the choice to appeal, explaining any unusual circumstances that prevented them from making academic progress. If the student chooses not to appeal, financial aid is withheld for the next payment period. If the student appeals, there are several options.
 - i. **Probation** - If it is mathematically possible and probable that the student can meet satisfactory academic progress in one term and the student has an unusual circumstance, the student can be put on probation and given one term to fix the issue. If the student achieves the required GPA and/or pass rate, the student continues in good standing. If the student fails to meet the minimum requirements, the student is immediately put back on suspension. Students may appeal again if there are reasons for the lack academic progress other than those cited in the original appeal).
 - ii. **Plan** - if it is not mathematically possible or is improbable that a student can achieve good standing in one term, McPherson

College may choose to put the student on a multiple-term academic plan. The plan will utilize the SAP levels and a set number of credit hours per semester to get the student back into good standing. If the student meets the semester/term achievements but still lacks the cumulative requirements, the student is not put back on suspension but allowed to continue on their plan. If the student meets good standing sooner than planned, the student is put back in good standing. If the student does not meet any part of the semester/term plan, the student is put back on suspension and given the option to appeal only if there are circumstances other than those cited in the original appeal that explain the lack of academic progress.

Appeals

To appeal the student must complete an appeal form and submit a transcript. If the appeal is approved the student will be on financial aid probation for a semester. At the end of the semester another review will be completed. If the student does not meet the standards again they will not be eligible for financial aid. The student may appeal to have their financial aid reinstated however the explanation cannot be the same as the first appeal. The student has the option of being placed on an academic plan.

Academic Plans

An academic plan outlines requirements a student must make for a period of time. The academic plan may cover several semesters. The academic plan will be reviewed at the end of the fall and spring semesters. If the student is meeting the requirements of the academic plan the student will remain eligible for financial aid. If the student is not meeting the requirements financial aid will be revoked, but the student will have an option to appeal.
