First-time Freshman Applicants

After the completion of the junior year (6th semester) of high school, an official application form can be submitted online at www.mcpherson.edu/admissions/application. Applicants must ask their high school guidance counselor to forward a copy of their secondary school record directly to McPherson College. Students' credentials are reviewed as soon as a completed application is received.

Criteria for admission include a state-certified high school transcript or the completion of the GED, corresponding standardized test scores, and appropriate personal qualifications. Recommendations from high school guidance personnel, teachers and pastors may be examined concerning character traits and personal qualifications. We welcome applications from home school applicants. Students with the following admission criteria are more likely to succeed at McPherson College:

- A minimum cumulative high school GPA of 2.0 (3.0 preferred) and
- A minimum ACT composite score of 18 (20 ACT preferred) or
- A minimum SAT score of 940 (combining critical reading and math)

Students not meeting the minimum admissions requirements may appeal or be referred to the Enrollment Committee for consideration. Please contact your Admissions Counselor for more information.

Transfer Applicants

Criteria for admission include

- Official copy of transcript(s) from all colleges or universities attended demonstrating satisfactory completion of 12 hours of college-level coursework.
- A minimum cumulative college GPA of 2.0 from all transfer college-level coursework.

Only academic work from accredited institutions will be accepted at McPherson College. Credit accepted for transfer to McPherson College shall count as hours earned. Hours attempted and grade points achieved will not be transferred. Only courses in which a grade of C or better has been earned will be transferred as credit toward graduation. Consequently, a student's grade point average will be dependent upon courses attempted at McPherson College.

Courses taken at another institution to replace a letter grade in a McPherson College course will not be accepted. McPherson College courses taken as a replacement course will be listed on the student's transcript along with the initial and replacement course grades. Both course grades count toward a student's cumulative GPA.

Applicants with fewer than 12 hours of college level credit may be required to take the ACT or SAT examination for diagnostic purposes.

Students who transfer to McPherson College will be expected to complete the general education requirements as outlined in this catalog. Transfer students holding an associate of arts or associate of science degree may be admitted with all earned credits transferring, and with general education foundation and distribution requirements met provided the student is not working toward teacher licensure. Students holding a certificate or degree other than an AA or AS will be evaluated on a course by course basis. Please refer to the General Education Requirements section.

Students wanting to transfer from McPherson College should work with the transferring institution in regards to their transfer credit policy since each institution decides what they will accept for credit.

Transfer students who have earned 64 credit hours may not transfer further two-year college credit. The last 60 hours of the bachelor's degree must be taken at a four-year institution. Credit may be given for the service-training program conducted by the various branches of the Armed Services as

recommended by the American Council on Education in "A Guide to the Evaluation of Educational Experiences in the Armed Forces."

Reverse Transfer

McPherson College participates in a universal reverse transfer program with the Kansas Community Colleges. This program allows students to receive an associate's degree from their most recent community college by combining credits earned at McPherson College with credits earned at the community college. Students who transfer at least 45 credit hours to McPherson College from Hesston College, Donnelly College, or any Kansas public community college are eligible to participate in the reverse transfer program.

Students who wish to participate should contact the Registrar's Office and sign a Reverse Transfer Agreement. At the end of each semester, McPherson College will submit an official transcript back to the student's community college for each student who is enrolled in the Reverse Transfer program and has at least 60 cumulative earned credit hours. Once the student has met all degree requirements for their declared associate's degree, the community college will award the associate's degree to the student.

- Apply to McPherson College and be accepted.
- Prepare and Upload the Following Materials to Slideroom:

1) A brief statement of interest (between 100 - 500 words) describing the applicant's motivation for seeking a bachelor's degree in Automotive Restoration at McPherson College;

Submit the aforementioned materials to Slideroom using the following link: <https://mcphersoncollegeautore restoration.slideroom.com>. There is a \$10 fee that must be paid to Slideroom for the use of this service. Once accepted to the college, applicant's materials will be reviewed in their entirety. A decision will be made within three to five business days. Applicants will be notified by email and a letter regarding the outcome of this review.

- Upon acceptance into the automotive restoration program, students must submit a \$250 deposit to reserve their place. \$200 of the deposit will be applied to the student's account. **Entrance to the program is not finalized until acceptance and deposit are completed.**

Conditional Admission

Candidates not meeting the GPA requirement identified above may be admitted to the program on a conditional status assuming there is reasonable evidence of candidate success. Conditionally admitted candidates must earn a minimum GPA of 3.0 in their first six hours in order to remain in the program.

Transfer of Graduate Credits

After acceptance into the M.Ed. program, students who have previously completed graduate credit hours at another accredited institution may apply to have up to 15 graduate credit hours accepted toward the M.Ed. degree as long as those credits have been earned in the last 10 years at the time of entry into the master's program.

To request that previously-earned credits be considered for transfer, the student must submit a final official graduate transcript along with a formal request listing the credits from the transcript the student wants considered for transfer. The formal request should include descriptions of the coursework and how it meets the requirements of the M.Ed. program at McPherson College.

Only courses in which a grade of B or better has been earned will be accepted for credit toward the M.Ed. degree. Consequently, a student's grade point average depends upon courses attempted at McPherson College only. The director of the M.Ed. program at McPherson College evaluates which courses qualify for transfer. The program director may request further information from the student, for example, course descriptions or syllabi, before making a recommendation to the registrar. With the program director's recommendation in hand, the registrar makes the final decision about the transfer credits. The registrar's decision is final and cannot be appealed.

Provisional Acceptance

There is often a cost associated with requesting an official transcript from a college or university. Provisional Acceptance allows the student to continue through the admissions process. Students with provisional acceptance can deposit and secure their housing and enrollment as well as receive their financial aid package. Provisional Acceptance must be resolved by August 1st for the fall semester applicant and January 15th for the spring semester applicant. Students that remain at Provisional Acceptance will be taken out of the next term course(s)/or not allowed to enroll in the subsequent term if final official transcripts are not received before the 20th day of classes.

Here are the guidelines for provisionally accepting transfer students:

- Unofficial transcripts must include the institution name, student name, and all courses (pass/fails/withdrawals) included.
- Unofficial transcripts must have grades for the last completed semester included on the transcript.
- We must have transcripts (unofficial or official) from all schools the student has attended.
- Provisional Acceptance will be approved by the Vice President for Enrollment.
- Official transcripts must be received by August 1 for those entering in the fall and by January 15 for those entering in the spring.

Conditional Admittance

Individuals who do not meet the admissions criteria may be considered for conditional acceptance to McPherson College.
